/Table

shows table for selected league

ex) /table PL

includes Matchday, rank, team
and points

The screenshot shows a chat window with a green header bar. On the left is a circular profile picture of a man. The header bar contains the text "/table PL" in blue, followed by "오후 9:56" and a green double-checkmark. The main content is a white box with a title "Premier League 2017/18" and a subtitle "Matchday 36". Below this is a table with 20 rows, each containing a rank, a team name, and a points value. At the bottom left of the white box is a blue circular button with the letter "H". At the bottom right of the white box is the text "오후 9:56".

What's Next?

- more user-friendly by making it as a conversational tone chat bot
- Adding more functions including players-oriented information
- Special edition for the upcoming WorldCup

thank you!
